NOTES:

1. **A member entitled to attend and vote at this Annual General Meeting (AGM) is entitled to appoint a proxy to attend and vote on a poll instead of himself and such proxy need not be a member of the Company.** Pursuant to the provisions of Section 105 of the Companies Act, 2013, a person can act as a proxy on behalf of not more than fifty members and holding in aggregate not more than ten percent of the total share capital of the Company. Members holding more than ten percent of the total share capital of the Company may appoint a single person as proxy, who shall not act as a proxy for any other member. The instrument of Proxy, in order to be effective, should be deposited at the registered office of the Company, duly completed and signed, not later than 48 hours before the commencement of the meeting. A Proxy Form is annexed to this Report.
2. Members/proxies/authorized representatives are requested to bring their copies of Annual Report and produce duly filled in attendance slip at the entrance of the venue. Members holding shares in demat form shall write their DP ID No. and Client ID and those holding in physical form shall write their folio no. in the attendance slip for attending the meeting. Copies of Annual Reports will not be provided at the meeting.
3. The International Securities Identification Number (ISIN) allotted to the Company's equity shares is INE371B01023. Trading in the equity shares of the Company through Stock Exchanges was made compulsory in dematerialized form. Shareholders are advised to open demat accounts with any of the Depository Participants (DPs) of their choice registered with NSDL and CDSL and convert their physical holding into electronic holding.
4. Members holding shares in physical form are requested to notify/send any change in their address and bank account details to the Company / Registrar and Share Transfer Agents, M/s. Aarthi Consultants Private Limited.
5. Non-Resident Indian members are requested to inform RTA, immediately of:
 - a. Change in their residential status on return to India for permanent settlement
 - b. Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the Bank with pin code number, if not furnished earlier.
6. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under section 170 of the Companies Act, 2013, will be available for inspection by the members at the AGM.
7. All relevant documents referred in the accompanying notice and explanatory statement are open for inspection to the members at the registered office of the Company during business hours between 11.00 A.M. to 1.00 P.M on all days except Saturdays, Sundays and Public holidays up to the date of the AGM.
8. The Securities and Exchange Board of India has mandated submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in demat form are, therefore, requested to submit PAN details to the Depository Participants with whom they have demat accounts. Members holding shares in physical form can submit their PAN details to RTA.
9. To support the 'Green Initiative', the Members who have not registered their e-mail addresses are requested to register the same with RTA/Depository Participant to enable the Company to send communications electronically.
10. The Notice of the AGM along with the Annual Report 2025-26 is being sent by electronic mode to those members whose e-mail addresses are registered with the Company/ Depository Participant, unless any member has requested for a physical copy of the same.

11. Members may also note that the Notice of the 28th AGM and the Annual Report 2025-26 will be available on the Company's website www.sol.net.in. The physical copies of the documents will also be available at the Company's registered office for inspection during normal business hours on working days. Members desiring any information as regards accounts are requested to write to the Company to cs@sol.net.in at least seven days before the date of the meeting to enable the management to keep the information ready at the meeting.
12. Pursuant to the requirement under Regulation 36 (3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the information about the directors proposed to be re-appointed / appointed is given in **Annexure – A** to the notice.
13. The Register of Members and the Share Transfer Books of the Company will remain closed from September 24, 2026 to September 30, 2026 (both days inclusive).
14. The route map of the venue of the AGM is attached for the convenience of the members.
15. **Instruction for E-Voting**

Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended) the Company is providing facility of remote e-voting to its members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means as the authorized e-Voting agency. The facility of casting votes by a member using remote e-voting will be provided by CDSL.

In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.sol.net.in. The Notice can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the remote e-voting facility) i.e. www.evotingindia.com

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING ARE AS UNDER:

(i) The e-voting period begins on September 27, 2026 at 09:00 A.M and ends on September 29, 2026 at 05:00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. September 23, 2026 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Mr Jineshwar Kumar Sankhala, (C.P No. 18365), M/s. P. S Rao & Associates, Company Secretaries, has been appointed as the Scrutinizer to scrutinize the e-voting process and voting at the venue of the 28th AGM in a fair and transparent manner.

(iv) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated September 12, 2020, and Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND PURSUANT TO REGULATION 36 OF SEBI (LODR) REGULATIONS, 2015 TO THE ACCOMPANYING NOTICE DATED AUGUST 14, 2026.**ITEM NO. 3:****To re-appoint M/s Darapaneni & Co., Chartered Accountants as Statutory Auditors of the Company.**

M/s. Darapaneni & Co., Chartered Accountants (Firm Registration Number: 000685S), hold the office of statutory auditors in first term of five consecutive years, as per the members' approval accorded at the 23rd Annual General Meeting (AGM) held on September 25, 2021 till the conclusion of the 28th Annual General Meeting of the Company.

After a detailed review of the profile, experience and expertise of few audit firms / entities, the Audit Committee and Board of Directors of the Company have recommended the re-appointment of M/s Darapaneni & Co., Chartered Accountants for the second term, for approval of the members at the 28th AGM of the Company.

M/s. Darapaneni & Co., Chartered Accountants have accorded their consent and confirmed that they fulfil all the eligibility criteria envisaged under Companies Act, 2013 and SEBI LODR to hold the office and perform the role of statutory auditor of the Company effectively. They hold a peer review certificate issued by the ICAI, which is valid up to June 30, 2028.

Considering the professional experience, expertise and technical competencies of M/s. Darapaneni & Co., Chartered Accountants, the Audit Committee and the Board of Directors are of the opinion that it would be in the best interest of the Company to appoint M/s. Darapaneni & Co. Chartered Accountants, as Statutory Auditors. Accordingly, the Board of Directors recommend to the shareholders the re-appointment of M/s. Darapaneni & Co., Chartered Accountants, as Statutory Auditors in a second term of five consecutive years, from the conclusion of 28th AGM till the conclusion of the 33rd AGM on a remuneration as may be decided subject to the approval of shareholders

None of the other Directors and Key Managerial Personnel (KMP) of the Company and their relatives is concerned or interested, financially or otherwise, in the above resolutions except to the extent of their shareholding, if any, in the Company.

The Board recommends passing the resolution as set out at item no. 3 of this notice as an ordinary resolution.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

a) Industry Structure and Developments, Opportunities and Threats, Performance, Outlook, Risks and Concerns

Biofuels are increasingly recognized as an important component of the global transition towards cleaner and more sustainable sources of energy. With growing concerns regarding climate change, energy security and dependence on fossil fuels, biofuels such as bioethanol and biodiesel are gaining importance as alternative and supplementary sources of energy.

The biofuel industry in India has significant potential owing to the country's large agricultural base, availability of biomass and increasing focus on renewable energy. The development of biofuel production and consumption can contribute to rural economic development by creating employment opportunities, supporting agricultural communities and promoting the utilization of agricultural and other renewable feedstocks.

Volatility in international crude oil prices, dependence on imported crude oil and increasing environmental concerns have further strengthened the need to develop alternative sources of energy. Government initiatives and policy support for the promotion of biofuels are expected to encourage investment, technological development and wider adoption of biofuel-based products.

Opportunities in Biodiesel

India's dependence on imported crude oil continues to make energy security an important national priority. In this context, biodiesel offers an opportunity to supplement conventional petroleum-based diesel and reduce dependence on fossil fuels.

Biodiesel, being a renewable fuel derived from vegetable oils, used cooking oil, animal fats and other suitable feedstocks, has the potential to contribute to the reduction of greenhouse gas emissions and promote a more sustainable energy ecosystem. Increasing adoption of cleaner fuels, together with supportive government policies and growing environmental awareness, is expected to create opportunities for companies operating in the biodiesel and broader biofuel sector.

The sector also presents opportunities for technological advancement, improved production efficiencies, development of alternative feedstocks and expansion of applications across transportation, industrial and other commercial sectors.

Threats, Risks and Concerns

The biofuel industry is subject to various risks and uncertainties, including volatility in the prices and availability of feedstock, fluctuations in crude oil and petroleum product prices, changes in government policies and regulations, technological developments, availability of financing and competition from other renewable and alternative energy sources.

Changes in environmental regulations, taxation policies, blending requirements and other regulatory measures may also have an impact on the operations and profitability of companies operating in this

sector. The Company continues to monitor these developments and intends to take appropriate measures to mitigate the associated risks.

b) Internal Control Systems and their Adequacy

The Company has established internal control systems commensurate with the size, scale and complexity of its operations. These systems are designed to provide reasonable assurance regarding the reliability of financial and operational information, compliance with applicable laws and regulations, safeguarding of assets, authorization and recording of transactions, prevention and detection of fraud and errors, and adherence to established policies and procedures.

The Audit Committee periodically reviews the internal audit reports and monitors the implementation of corrective and remedial actions through an appropriate action-taken mechanism. The Audit Committee also interacts with the Statutory Auditors to obtain their views regarding the adequacy and effectiveness of the internal control systems and financial reporting processes.

Based on the reviews undertaken, the management is of the view that the Company's internal control systems are adequate and appropriate for its present operations.

c) Financial review

The highlights of the financial and operational performance of the Company for the financial years ended March 31, 2026, March 31, 2025 and March 31, 2024 are set out below:

(Rs. In Lakhs)

Particulars	2025-26	2024-25	2023-24
Total Income	9585.26	14788.87	6778.56
Total Expenditure	10822.62	14964.41	7502.86
Profit before Tax	(1237.36)	(175.54)	(724.30)
Provision for Tax	--	(64.42)	-
Profit after Tax	(1237.36)	(111.12)	(724.30)

During FY 2025-26, the Company recorded total income of Rs. 9,585.26 lakhs, as compared to Rs. 14,788.87 lakhs in FY 2024-25. The Company incurred a loss before tax of Rs. 1,237.36 lakhs during FY 2025-26, as against a loss before tax of Rs. 175.54 lakhs in the previous financial year.

The management continues to focus on improving operational efficiencies, optimizing costs and strengthening business opportunities with a view to improving the Company's financial performance in the coming years

d) Human Resources Development and Industrial Relations

The Company recognizes that its employees are a key resource for sustainable growth and long-term success. Accordingly, the Company remains committed to developing and strengthening its human resources by providing an appropriate work environment and opportunities for professional development.

The Company maintains cordial relations with its employees and continues to focus on employee engagement, productivity and skill development. Industrial relations during the year under review remained cordial, and the Company is committed to maintaining harmonious relations in the future.

e) Outlook

The outlook for the biofuel sector remains encouraging, supported by increasing awareness of environmental sustainability, the need for energy security and the gradual transition towards cleaner sources of energy.

Biodiesel is a renewable fuel produced from suitable feedstocks through processes such as transesterification. It can be used as a substitute for or blended with conventional diesel, subject to applicable standards and regulatory requirements. Its potential applications extend across transportation, industrial and other sectors.

Increasing environmental awareness, efforts to reduce dependence on fossil fuels and the development of sustainable feedstock supply chains are expected to support the long-term growth of the biodiesel industry.

The Company will continue to evaluate opportunities within the biofuel sector and focus on improving operational efficiency, strengthening its business relationships and exploring opportunities for sustainable growth, while remaining mindful of prevailing market, regulatory and economic conditions.

f) Disclosure of Accounting Treatment:

The Company has prepared its financial statements for the financial year ended March 31, 2026, in accordance with the **Indian Accounting Standards (Ind AS)** applicable to the Company, together with the comparative information for the financial year ended March 31, 2025, as described in the significant accounting policies forming part of the financial statements.

The financial statements have been prepared in accordance with the applicable provisions of the Companies Act, 2013 and the applicable Ind AS. No accounting treatment different from that prescribed under the applicable accounting standards has been followed in the preparation of the financial statements.

The applicability and effect of amendments to the relevant accounting standards have been duly evaluated by the Company and the accounting treatment, wherever applicable, has been given effect to in the financial statements, as more particularly explained in the Notes forming part of the Financial Statements.

g) Key Financial Ratios

Particulars	Unit of Measurement	March 31, 2026	March 31, 2025	Variation in %	Reason for variation
Current Ratio	In multiple	1.59	1.99	(19.82)	Declined due to a sharper increase in current liabilities compared to current assets, mainly from higher short-term borrowings and trade payables.
Debt-Equity Ratio	In multiple	3.82	2.91	31.00	Increased because of higher borrowings (long-term ₹13,967.05 lakh and short-term ₹3,136.21 lakh vs prior ₹10,989.67 lakh and ₹1,750.51 lakh)
Debt Service Coverage Ratio	In multiple	NA	NA	NA	NA
Return on Equity Ratio	In %	-3%	-18%	(82.72)	Improved due to narrower net loss (₹112.65 lakh vs ₹725.49 lakh) and a smaller denominator effect from negative equity.
Inventory Turnover Ratio	In Days	61.91	96.16	(35.62)	Improved as revenues more than doubled (₹14,788.87 lakh vs. ₹6,778.56 lakh) while inventories rose only moderately, showing better working capital utilization

Solana Biofuels Limited

(Formerly Southern Online Bio Technologies Limited)

Trade receivables Turnover Ratio	In Days	20.46	30.32	(32.54)	Better collection efficiency – despite a large increase in sales
Trade payables Turnover Ratio	In Days	4.88	12.44	(60.75)	Declined due to higher purchase costs (₹14,068.30 lakh vs. ₹6,061.87 lakh) relative to outstanding trade payables (₹271.97 lakh vs. ₹122.44 lakh), meaning suppliers are being paid faster.
Net Working Capital Turnover Ratio	In Days	77.48	114.05	(32.06)	Improved because sales increased substantially, while net working capital improved efficiency despite higher inventories.
Net Profit Ratio	In %	-1%	-11%	(92.99)	Loss narrowed mainly due to efficient operations of the Company.
Return on Capital Employed	In %	1.26%	-4.71%	(126.80)	Turned positive as loss reduced significantly
Return on Investment (Assets)	In %	-2%	-5%	(52.17)	Improved with lower overall net loss compared to FY26, even though asset base increased (₹21,443.84 lakh vs ₹17,212.89 lakh)

INDEPENDENT AUDITOR'S REPORT

To the Members of

M/s SOLANA BIOFUELS LIMITED,

(Formerly Known as SOUTHERN ONLINE BIO TECHNOLOGIES LIMITED)

Report on the Audit of the Financial Statements

Opinion

We have audited the Financial Statements of M/s **SOLANA BIOFUELS LIMITED**, *(Formerly Known as SOUTHERN ONLINE BIO TECHNOLOGIES LIMITED)* ("the Company"), which comprise the Balance Sheet as at 31st March 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the Financial Statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its loss and total comprehensive income, changes in equity and cash flows for the year ended on that date.

Basis for Opinion

We conducted our Audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our Audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Key audit matters

Reporting of key audit matters as per SA 701: Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) Planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We also communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company, and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) In our opinion and to the best of our information and according to the explanations given to us, the company has not paid any remuneration to its directors during the year. Accordingly, the provisions of section 197 of the Act are not applicable.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The company has disclosed the impact of pending litigations on its financial position in its Financial Statements.
 - ii. The Company has made provision, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the Financial Statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The company has not declared or paid any dividend during the year, accordingly, reporting under this clause is not applicable to the company.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Report on the Internal Financial Controls with reference to Financial Statements of the company under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s **SOLANA BIOFUELS LIMITED, (FORMERLY KNOWN AS SOUTHERN ONLINE BIO TECHNOLOGIES LIMITED)** ("the Company") as of 31st March, 2026 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Responsibilities of Management and Board of Directors for the Internal Financial Controls

The Company's Management and Board of Directors is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Financial Statements of the company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

"Annexure B" to the Independent Auditors Report

(Referred to in paragraph 2 under the heading 'Report on Other Legal & Regulatory Requirements of our report of even date to the Financial Statements of M/s. **SOLANA BIOFUELS LIMITED, (Formerly Known As Southern Online Bio Technologies Limited)** ("the Company") for the year ended 31" March, 2026)

To the best of our information and according to the explanations provided to us by the company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and relevant details of right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The Company has a program of physical verification of property, plant and equipment and right-of-use assets so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, plant and equipment and right-of-use assets were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) Since the company does not have any lease agreement for land/registered sale deed/transfer deed/conveyance deed at any time during the year, reporting under clause 3(i)(c) is not applicable to the company.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) during the year.
 - (e) There are no proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the "Benami Transactions (Prohibition) Act, 1988" (as amended in 2016) and rules made there under.
- ii. (a) Physical verification of inventory has been conducted at reasonable intervals by the management and in our opinion, the coverage and procedure of such verification by the management is appropriate; According to the information and explanations given to us, no material discrepancies were noticed on such verification.

(b) The Company has been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) and the quarterly returns or statements filed by the company with such books or financials-institutions are in agreement with the books of accounts of the company

- iii. The Company has not made any investments nor provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties during the year. Accordingly, paragraph 3 (iii) of the Order is not applicable
- iv. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence the reporting clause 3(v) of the Order are not applicable.
- vi. The maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 for the business activities carried out by the company. Hence, reporting under clause (vi) of the Order is not applicable to the company.
- vii. In respect of statutory dues:
 - a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues including Goods and Services tax, Provident fund, Employees' state insurance, Income-tax, Sale tax, Service tax, duty of customs, duty of excise, Value Added tax, cess and any other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.
 - b) According to the information and explanations given to us, no disputed amounts payable in respect of income tax, sales tax, service tax, customs duty, excise duty and cess which have not been deposited on account of any dispute.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43 of 1961).
- ix. a) According to the information and explanations given to us, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

- b) The company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the Financial Statements, the company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
- d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the Financial Statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company and hence reporting on clause 3(ix)(d) of the Order is not applicable.
- e) According to the information and explanations given to us and on an overall examination of the Financial Statements of the company, we report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures and hence reporting on clause 3(ix)(e) of the Order is not applicable.
- f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. (a) The company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence the provisions of Clause 3(x)(a) of the Order are not applicable to the Company for the Current Year.
- (b) During the year, the company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the order is not applicable.
- xi. (a) No fraud by the Company or no material fraud on the company has been or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) The company has not received any whistle-blower complaints during the year.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.

- xiii. The transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable Indian Accounting Standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with directors or persons connected with its directors and hence the provisions of section 192 of the companies Act, 2013 are not applicable to the company. Accordingly, the paragraph 3(xv) of the order is not applicable.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has incurred cash losses of Rs. 932.60 Lakhs during the financial year covered by our audit and no cash losses in immediately preceding financial year have been reported.
- xviii. There has been no resignation of the statutory auditors during the year and, accordingly, the reporting under clause 3(xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Financial Statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. The provisions of section 135 of the companies Act, 2013 relating to corporate social responsibility are not applicable to the company. Therefore, the provisions of Clause 3(xx) of the order is not applicable.

Note 1

1. Corporate Information

I. Corporate Information

Solana Biofuels limited (formerly Known as Southern Online Bio Technologies Limited) was originally incorporated as Southern Online Services Private Limited vide certificate of incorporation No.01-30463 dated November 9, 1998, with Registrar of Companies, Hyderabad and subsequently converted into a Public Limited Company on January 4, 2000. The name of the Company has been Changed to Southern Online Bio Technologies Limited on 31st March 2004 to reflect the new line of business in which the Company has ventured i.e. manufacture of Biodiesel. In the year 2019-20 the company was purchased by Dr Devaiah Pagidipati as a going concern under Regulation 32A of Insolvency and Bankruptcy Board of India (Liquidation Process) Regulations, 2016. Further the name of the company has been changed from Southern Online Bio Technologies Limited to Solana Biofuels Limited with effect from 7th day of January, 2025 as per the certificate issued by Ministry of Corporate Affairs, Government of India.

The Company is one of the first private sector ISPs to commence operations in the state of Andhra Pradesh & Telangana. However, considering the opportunities in the field of manufacture and supply of alternative fuels to petroleum- based fuels, the promoters have decided to diversify into production and supply of biodiesel. The Company has established Biodiesel production units at Samsthan Narayanapuram and SEZ Atchutapuram from non-edible vegetables oils, fatty acids, animal fats / mutton tallow, etc for partial substitution or using as a blend in fossil diesel.

- A. Company expanded the facilities from 40 TPD to 70 TPD recently in Samsthan Narayanapur Unit, Yadadri Bhongir District, Telangana.
- B. The Second Bio diesel unit with a capacity of 250 TPD is located at APIIC, SEZ, Visakhapatnam, Andhra Pradesh is under refurbishment activity.

II. Basis of Preparation and Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

A. Basis of Preparation

The Financial Statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013, (as amended from time to time) and Presentation and disclosure requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS Compliant Schedule III) as amended from time to time.

a. Functional and presentation currency

These financial statements are presented in Indian Rupees (₹), which is the Company's functional currency. All amounts have been rounded to the nearest lakh, unless otherwise indicated.

b. Basis of Measurement

These financial statements have been prepared on a historical cost convention basis except for the following:

- (i) Net defined benefit plans- Plan assets measured at fair value less present value of defined benefit obligation.

c. Critical accounting judgements and key sources of estimation uncertainty

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the period/years presented.

These judgments and estimates are based on management's best knowledge of the relevant facts and circumstances, having regard to previous experience, but actual results may differ materially from the amounts included in the financial statements.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

The information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are as given below:-

i. Recognition and measurement of Provisions and Contingencies

Provisions and liabilities are recognized in the year when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

ii. Contingencies

In the normal course of business, contingent liabilities may arise from litigation, taxation and other claims against the Company. Where it is management's assessment that the outcome cannot be reliably quantified or is uncertain, the claims are disclosed as contingent liabilities unless the likelihood of an adverse outcome is remote. Such liabilities are disclosed in the notes but are not provided for in the financial statements. When considering the classification of legal or tax cases as probable, possible or remote, there is judgement involved. Although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on the Company's financial position.

iii. Measurements of Defined benefit obligations plan

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iv. Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period/years.

v. Recognition of Deferred Tax Assets and Liabilities

Deferred tax assets and liabilities are recognised for temporary differences and unused tax losses for which there is probability of utilisation against the future taxable profit. The Company uses judgement to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits and business developments.

d. Current and non-current classification

The Company presents assets and liabilities in statement of financial position based on current/non-current classification. The Company has presented non-current assets and current

assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

An asset is classified as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Expected to be realised within twelve months after the reporting year, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting year.

All other assets are classified as non-current.

A liability is classified as current when it is:

- a) Expected to be settled in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Due to be settled within twelve months after the reporting year, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting year.

The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its normal operating cycle.

B. SIGNIFICANT ACCOUNTING POLICIES

a) Property Plant and Equipment

All items of property, plant and equipment are initially recorded at cost. The cost of an item of plant and equipment is recognized as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Cost includes its purchase price (after deducting trade discounts and rebates), import duties & non-refundable purchase taxes, any costs directly attributable to bringing the asset to the location & condition necessary for it to be capable of operating in the manner intended by management, borrowing costs on qualifying assets and asset retirement costs. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

The activities necessary to prepare an asset for its intended use or sale extend to more than just physical construction of the asset. It may also include technical (DPR, environmental, planning, Land acquisition and geological study) and administrative work such as obtaining approvals before the commencement of physical construction.

The cost of replacing a part of an item of property, plant and equipment is capitalized if it is probable that the future economic benefits of the part will flow to the Company and that its cost can be measured reliably. The carrying amount of the replaced part is derecognized.

Costs of day-to-day repairs and maintenance costs are recognized into the statement of profit and loss account as incurred.

Subsequent recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values estimated useful lives and depreciation method are reviewed at each financial year-end, and adjusted prospectively, if appropriate.

An item of plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de recognition of the asset is recognised in the profit or loss in the year the asset is derecognized.

Assets under installation or under construction as at the Balance Sheet date are shown as Capital Work in Progress.

Depreciation, Estimated useful life and Estimated residual value

Depreciation is calculated using the Straight-Line Method, pro rata to the period of use, taking into account useful lives and residual value of the assets. Depreciation is computed with reference to cost. Depreciation on additions during the year is provided on pro rata basis with reference to month of addition/installation. Depreciation on assets disposed/discarded is charged up to the date of sale excluding the month in which such assets is sold. The assets residual value and useful life are reviewed and adjusted, if appropriate, at the end of each reporting year. Gains and losses on disposal are determined by comparing proceeds with carrying amounts. These are included in the statement of Profit and Loss.

b) Intangible Assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. The company amortizes computer software using the straight-line method over the period of 5 years.

c) Impairment of Assets

An asset is considered as impaired when at the date of Balance Sheet, there are indications of impairment and the carrying amount of the asset, or where applicable, the cash generating unit to which the asset belongs, exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use). The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the statement of profit and loss. The impairment loss recognized in the prior accounting period is reversed if there has been a

change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

d) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one Company and a financial liability or equity instrument of another Company. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, interest rate swaps and currency options.

(i) Financial assets

Initial Recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit and loss, are adjusted to the fair value on initial recognition.

Subsequent Measurement

Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represent solely payments of principal and interest on the principal amount outstanding.

Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

Financial Assets measured at Fair Value Through Profit and Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

In case of Investments

Investments are classified into current and Long-term investments. Investments that are readily realizable and intended to be held for not more than a year from the date of acquisition is classified as Current Investments. All Other investments are classified as long-term investments.

Long Term Investments are stated at cost and provision for diminution is made if the decline in value is other than temporary in nature. Current Investments are stated at lower of cost and fair value determined based on each category of investments.

(ii) Financial Liabilities

Classification

The Company classifies its financial liabilities in the following measurement categories:

- those to be measured subsequently at fair value through profit and loss-[FVTPL]; and
- those measured at amortised cost. [AC]

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit and loss or at amortised cost. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts are approximate at their fair value due to the short maturity of these instruments.

Financial liabilities at fair value through profit and loss [FVTPL]

Financial liabilities at fair value through profit and loss [FVTPL] include financial liabilities designated upon initial recognition as at fair value through profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss. Financial liabilities designated upon initial recognition at fair value through profit and loss are designated at the initial date of recognition, only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/losses are not subsequently transferred to statement of

profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss.

Loans and borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in statement of profit and loss over the period of borrowings using the effective interest method. Processing/Upfront fee are treated as prepaid asset netted of from borrowings. The same is amortised over the period of the facility to which it relates.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost. Gains and losses are recognised in statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to interest-bearing loans and borrowings.

Borrowings are derecognised from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of the financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liability assumed, is recognised in Statement of profit and loss as other gains or (losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer the settlement of liabilities for at least twelve months after the reporting year.

Where there is a breach of a material provision of a long term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the same is classified as current unless the lender agreed, after the reporting year and before the approval of financial statements for issue, not to demand payment as a consequence of the breach.

Trade and other payable

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid at the year end. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting year. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same

lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

e) Inventories

Inventories are measured at the lower of cost and net realisable value after providing for obsolescence, if any, except for Stock-in-Trade [which are measured at Fair value] and Realisable by-products [which are measured at net realisable value]. The cost of inventories is determined using the weighted average method and includes expenditure incurred in acquiring inventories, production or conversion and other costs incurred in bringing them to their respective present location and condition. In the case of manufactured inventories and work in progress, cost includes an appropriate share of production overheads based on normal operating capacity. The comparison of cost and Net Realisable value is made on an item-by-item basis. Net realisable value is estimated selling price in the ordinary course of business, less estimated cost of completion and the estimated costs necessary to make the sale. The net realisable value of work in progress is determined with reference to selling prices of finished products.

f) Cash and Cash Equivalents

For the purpose of presentation in the statement of the cash flows, cash and cash equivalent includes the cash on hand, deposits held at call with financial institutions other short term, highly liquid investments with original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

g) Contributed Equity

Equity shares are classified as equity. Incidental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

h) Dividend

Dividends are recognized in profit or loss only when the right to receive payment is established.

i) Earnings Per Share**a. Basic earnings per share**

Basic earnings per shares is calculated by dividing Profit/(Loss) attributable to equity holders (adjusted for amounts directly charged to Reserves) before/after Exceptional Items (net of tax) by Weighted average number of Equity shares, (excluding treasury shares).

b. Diluted Earnings per share

Diluted earnings per shares is calculated by dividing Profit/(Loss) attributable to equity holders (adjusted for amounts directly charged to Reserves) before/after Exceptional Items (net of tax) by Weighted average number of Equity shares (excluding treasury shares) considered for basic earning per shares including dilutive potential Equity shares.

j) Foreign Currency

Transactions in foreign currencies are translated into the functional currencies of the Company at the exchange rate prevailing at the date of the transactions. Monetary assets (other than investments in companies registered outside India) and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Investments in companies registered outside India are converted at rate prevailing at the date of acquisition. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary items that are measured based on historical cost in a foreign currency are not translated.

k) Revenue Recognition

Revenue is recognized and measured at the fair value of the consideration received or receivable, to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The Company derives revenues primarily from sale of manufactured goods i.e Bio diesel and provision of Internet Services as Internet Service Providers.

The company collects GST on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

a) Sale of Goods

Revenue from the sale of goods are recognized when there is persuasive evidence, usually in the form of an executed sales agreement at the time of delivery of the goods to customer, indicating that there has been a transfer of risks and rewards to the customer, no further work

or processing is required the quantity and quality of goods has been determined, the price is considered fixed and generally title has passed.

b) Other Income

Other income is comprised primarily of interest income and rental income. Interest income is recognized using the effective interest method.

I) Employee Benefits

(i) During Employment Benefits

(a) Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Post-Employment benefits

(a) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which a Company pays fixed contribution into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards government administered Provident Fund scheme. Obligations for contributions to defined contribution plans are expensed as the related service is provided. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

(b) Defined benefit plans

The Company pays gratuity to the employees who have completed five years of service with the company at the time when employee leaves the Company.

The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the periods during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post employment are charged to Other Comprehensive Income.

(c) Termination Benefits

Termination benefits are payable when employment is terminated by the Company before the normal retirement date or when an employee accepts voluntary redundancy in exchange for these benefits. In case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number

of employees expected to accept the offer. Benefits falling due more than twelve months after the end of reporting year are discounted to the present value.

m) Income Taxes

Income tax expense comprises current and deferred tax. Tax is recognised in statement of profit and loss, except to the extent that it relates to items recognised in the other comprehensive income or in equity. In which case, the tax is also recognised in the other comprehensive income or in equity.

(i) Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or subsequently enacted at the Balance sheet date. Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current tax provision is computed for income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set and presented as net.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have enacted or substantively enacted by the end of the reporting year. The

carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting year. Deferred tax is recognised to the extent that it is probable that future taxable profit will be available against which they can be used.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- a) the Company has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same

taxable Company.

n) Borrowing Costs

General and specific Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of that asset till the date it is ready for its intended use or sale. Other borrowing costs are recognised as an expense in the year in which they are incurred.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalisation. All other borrowing costs are charged to the statement of profit and loss for the year for which they are incurred.

o) Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements.

Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

p) Segment Reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

The activities of the Company can be broadly classified into two segments, viz., Internet Service Provider (ISP), Manufacturing of Bio Diesel. The ISP division provides Internet Bandwidth to the Corporate Clients, Operators, Educational Institutions, Cyber Cafes, & Individual etc. The Bio Diesel division manufactures the Bio Diesel.

Income and direct expenses relation to segments are categorized based on items that are individually identifiable to that segment, while the remainder of cost is apportioned on appropriate basis. Certain expenses which are not specifically allocable to individual segments as the relevant services are used interchangeably. The company therefore believes that it is not practical to provide segment disclosures relating to such expenses. Accordingly, they are separately disclosed as unallowable and directly charged against total income.

Detailed Segment wise Information are mentioned in Note No 36 of Financial Statements.

q) Related Party Disclosures

A summary of the related party transactions entered into by our Company, as per Ind AS 24 - Related Party Disclosures are detailed in Note No 37 of Financial Statements.

- a. Company Filled Case Against Bank of India regards to the certain refunds of Rs. 27,74,327 /- and Improper reporting with Credit Agencies, Non Removal of Mortgage of Company Assets etc., with ref of IA (IBC)/320/2021, CP(IB) No.343/7/HDB/2018.
- b. Company Paid towards Electricity Department of APEPDCL to an amount of Rs. 29,69,421 / - towards earlier dues prior to E-Auction period which were treated as Conditional Deposit.
- c. Company Filed Writ Petition in High Court of Andhra Pradesh of Amaravathi. The Company paid deposit to an amount of Rs. 20.00 Lakhs without prejudice to his contention that no amount is payable., there shall be interim direction to the APIIC & APSEZ (APIIC – Visakhapatnam) to issue a "No Objection Certificate" for allowing the Company operations.
- d. Before Liquidation proceedings – Dy. Controller of Communication Accounts (LF), Hyderabad with "subject: SHORT PAYMENT OF QUARTERLY LF Dated: 25th July, 2017" on 29th July, 2017. Accordingly, to them Under Erstwhile Management, Company made short payments of quarterly license fee @8% Rs.98,50,849/- against Pass through charges claimed by Company to the tune of Rs.12,31,35,614/-. The said department communicated to Company to pay Rs.98,50,849/- along with applicable Interest against the same. Company approached The Hon'ble TDSAT vide Telecommunication Petition No. 77 of 2017. The Hon'ble TDSAT through an interim order declined to stop DOT from taking any cohesive steps like en-cashing the bank guarantees given by SBTCL to DOT unless Company pay 50% of the amount demanded by DOT until the matter is decided by The Hon'ble TDSAT. DOT has en-cashed the said bank guarantee. However, Company approached the Hon'ble Delhi High court against the interim order of The Hon'ble TDSAT. Later Hon'ble NCLT, Hyderabad bench on 16th July, 2019 passed an order in IA No. 565/2019 preferred by the resolution professional for liquidating the Company by appointing Mrs. CA G Kalpana as Liquidator of the Company. Thereafter the Company was sold to Dr. Devaiah Pagidipati as a going concern which was approved by Hon'ble NCLT vide its Order dated November 26, 2019. The said NCLT Passed orders stating that in the interim Order CP(IB)343/7/HDB/2018, Page No 3, 2 (d), IA.No 1038/2019 in CP(IB) No 343/7/HDB/2018 stating that "A Direction be issued that the cases pending / decreed against the Corporate debtor by any court and / or tribunal and / or any quasi – judicial authority will not be enforced against the applicant or the corporate debtor" The same representation has been shared to the Competitive Authorities & DOT and waiting for their reply.

Note 39: The Code on Social Security, 2020

The Code on Social Security, 2020 (the "Code"), which consolidates various provisions relating to social security and employee benefits, was brought into force, to the extent notified, with effect from November 21, 2025. Since the Company did not have any employees during the financial year ended March 31, 2026, there were no employee-related obligations or liabilities arising under the provisions of the Code applicable to the Company during the year. Accordingly, the Company has not recognised any provision or liability in respect of such obligations in these financial statements.

Notes: 40 MCA Pronouncements
